

GUIDE

ADDING COMMENTS TO INFRINGEMENTS

Step 1

To add a comment, click on DRIVERS (on the left hand side) and select the driver in question. Now click on the Activity tab and click on the day that has the infringement. You will now have a popup showing the Calendar Day details.

The screenshot displays the VDO web application interface for managing drivers and their activity. The left sidebar shows the navigation menu with 'DRIVERS' selected. The main area shows the 'DRIVERS / ACTIVITY' page for a specific driver, 'Krista 28 Musterfrau 28'. The 'ACTIVITY' tab is active, showing a calendar view for December 2021 and January 2022. A popup window titled 'CALENDAR DAY' is open, showing details for the day 13/01/2022. The popup includes a 'CREATE EVENT' button, an 'EMERG. NOTIF' button, and a list of events: 'Training' (08:00 - 17:00), 'GAPS' (1), and 'INFRINGEMENTS' (2). The background calendar shows various icons and data points for each day, with a 'DETAIL VIEW' button at the bottom right of the calendar area.

Step 2

Click on the Infringements tab and the details will be shown with a pencil icon on the right hand side.

ACTIVITY OVERVIEW < January 2022 >

Infringements ▾

Date ↑	Time	Code	Seriousness	Description	
13 Jan 2022	14:00	R70		WTD - Failure to take a break after 6 hours duty. The cumulative duty period started at 08:00 on 13/01/2022 The infringement was detected at 14:00:01 on 13/01/2022 Cumulative duty = 09:00.
